**TULALIP, Wash. (November 15, 2024)** — Tulalip Resort Casino today was named one of only 18 elite hotel properties in the Western U.S as winner of the 2024 Best of Meetings Today Awards, an annual program highlighting the top meeting facilities and destination marketing organizations (DMOs) in North America. Earning the recognition from meetings industry professionals for the second straight year, Tulalip Resort Casino was selected through voting by the Meetings Today’s audience and content team.

Nomination criteria for the awards included quality of meeting space, guest rooms, guest services and amenities, food and beverage service, efficiency and helpfulness of staff, availability and quality of technology, recreational facilities and activities, cleanliness, and overall value and experience.

“Our entire team takes great pride in our work with clients to deliver productive, creative and trouble-free events of all sizes. Because this recognition comes from the meeting and event planners we work with, it is especially meaningful,” said Tracy Goolsby, Interim Vice President of Hotel Operations.

“Every year, we reach out to our audience to ask them to vote for their top facilities and DMOs,” said Tyler Davidson, vice president and chief content director of Meetings Today. “Our annual Best of Meetings Today Awards recognize the leading properties and DMOs in the industry and can also serve as a great resource for planners when they are researching sites for their meetings.”
