

TULALIP RESORT CASINO EARNS AAA TRAVEL'S 2025 "INSPECTOR'S BEST OF INSPECTED CLEAN" AWARD AMONG TOP 25% OF ALL AAA-INSPECTED PROPERTIES IN NORTH AMERICA

TULALIP, Wash. (May 27, 2025) – Tulalip Resort Casino has been awarded AAA Travel's 2025 "Inspector's Best of Inspected Clean" designation, placing it in the top 25% of all AAA-inspected properties in North America for cleanliness and the overall high level of condition of the property for the past two or more years.

AAA standards for cleanliness and condition have long been a foundation for the Diamond Program and Tulalip Resort Casino has earned the coveted AAA Four Diamond Rating for the past 17 consecutive years.

AAA research shows that travelers trust hotels with a high cleanliness score based on an independent, third-party inspection. Those passing the AAA Diamond inspection are "Inspected Clean," which increases the relevance of the property's Diamond designation.

AAA's housekeeping evaluations include objective, scientific validation of the cleanliness of common surfaces throughout hotels. Hotels that meet AAA's standards for cleanliness and condition with Adenosine Triphosphate (ATP) surface testing are recognized as "Inspected Clean" and then assigned a Diamond designation.

"Hand in hand with our AAA Four Diamond Rating, earning this recognition is a reflection of the high standards we set for ourselves each day," said Tracy Goolsby, Vice President, Hotel Operations. "Our guests can be confident we consistently take steps and great pride in delivering a high level of cleanliness throughout each guest room and all across the property."

On-site testing by inspectors includes swabbing eight surfaces in each random guest room, adding the samples to a vial containing a special testing chemical, and then inserting the vial into a portable test machine for results. Guest room and bathroom locations may include door

handles, light switches, thermostat controls, guest room desk or writing surfaces, television remotes, refrigerator handles, faucet and toilet handles, hair dryers and vanity surfaces.
