**TULALIP, Wash. (May 29, 2025)** – In conjunction with “International Casinos Day” on May 15, international casino review and rankings site Casinos.com presented Tulalip Resort Casino with the coveted “Best Casino in Washington” award, while also unveiling that Tulalip Resort Casino was the only casino in the Pacific Northwest to make its list of “Luckiest Casinos in the U.S” for 2025.

Casinos.com named Tulalip Resort Casino “Best Casino in Washington” based on people’s choice voting for the 2025 International Casinos Awards. The AAA Four-Diamond resort features quality gaming offerings including more than 2,200 slots, a variety of table games and the DraftKings sportsbook. The resort casino includes multiple dining options, award-winning accommodations, premium spa experiences and top local and national entertainment.

As featured in *Forbes* magazine, Casino.com ranked Tulalip Resort Casino #16 among the top 25 “luckiest casinos.” According to the article, each casino was ranked based on its “luck percentage,” which ranged from 25.49% (#1) to 9.65% (#25). At #16, Tulalip Resort Casino came in with an 11.64% “luck percentage.” To determine the scores, analysts sifted through Tripadvisor guest reviews, tracking how often visitors mentioned luck-related keywords such as “luck,” “lucky,” “won,” “winning,” “jackpot,” “bonus,” and “profit.” The more frequent the lucky language, the higher a casino ranked on the list. The next closest casinos to make the list were three in California and one in Las Vegas.
